EMD Serono is a recognized world leader in the biopharmaceutical industry. With its U.S. headquarters in Rockland, the company has had an active presence in our region for more than 30 years. Remaining true to core values that include integrity, respect and responsibility, EMD Serono is transforming science into breakthrough medicine and solutions of high quality while developing treatments of the future.

South Shore Hospital's caregivers and other staff are also dedicated to caring for our community and making a difference in people's lives. The Hospital's recent expansion project is just one more example of the strength of that commitment. The project will add 60 private inpatient rooms to help meet the needs of the growing number of people choosing South Shore Hospital for care.

EMD Serono is a distinguished member of South Shore Hospital’s Presidents’ Circle, leading businesses whose generosity helps make valuable investments close to home. Three cheers to EMD Serono for its generous contribution on behalf of families throughout Southeastern Massachusetts.
